PROFILE

- **Master's student in Management** with experience in FP&A, performance analysis, and financial reporting within a large telecom company. I enjoy working with data to understand business performance and support operational teams in their decisions.
- Organized and detail-oriented, I'm especially interested in business-facing finance roles, focused on profitability and commercial performance in international environments. Available from September 2026.
- **Languages:** French (native); English (professional proficiency); Chinese (intermediate); Spanish (intermediate)
- **Management & Data Tools:** Advanced Excel, Power BI, Power Query, SAP (S/4HANA, ECC 6), Word, PowerPoint.

PROFESSIONAL EXPERIENCE

Bouygues Telecom – Paris | Financial Planning and Analysis Apprentice (Work-Study Program)

Sep 2024 – Aug 2026

French telecom operator, 2nd mobile operator in France by market share.

- Produced monthly financial performance analysis, identifying key variances and business drivers.
- Supported forecasting and budgeting activities, contributing to financial planning cycles.
- Collaborated with operational and accounting teams to improve data reliability and reporting processes.

LAB Event – Paris | Financial Analysis Intern

May 2024 – Aug 2024

Event agency specialized in corporate events and brand experiences.

- Developed performance dashboards and KPI monitoring tools for clients.
- Automated internal reporting processes using Excel.
- Improved reliability of a 69-page KPI monitoring file dedicated to client performance analysis.

Boulanger – Toulouse | Customer Service Advisor (After-Sales)

Apr 2023 – Aug 2023

Major French retailer specializing in electronics and home appliances.

- Assisted customers in diagnosing product issues and explaining solutions.
- Managed customer service cases and financing files (ONEY credit).
- Developed strong problem-solving and customer communication skills.

IDKIDS – Toulouse | Sales Advisor

Aug 2022

International retail group specializing in children's clothing and toys.

- Assisted customers and supported sales performance in a retail environment.
- Strengthened customer interaction and commercial awareness, including in English
